

12/26/74

Dear David Williams,

In response to your order of 12/23/74, herewith a copy of Whitewash IV.

As you are aware from my recent letter, I strongly disapprove the misrepresentation and exploitation of your group.

I re-emphasize this in reminding you that in selling you a copy of the book I am not in any sense waiving any of my rights, specifically not the copyright, and I do expect you and all your group to respect them.

Sincerely,

Cambridge gang, "Assassination Information
Bureau"
